

Child & Family Research Institute welcomes new Board members

The Child & Family Research Institute (CFRI) is pleased to welcome Ms. Nicola Sutton and Mr. Christopher Carty to the Board of Directors.

Ms. Nicola Sutton is an associate with the Labour, Employment and Human Rights Department at Fasken Martineau DuMoulin LLP, one of Canada's leading business and litigation law firms. In addition, Ms. Sutton is the managing partner of Intelligent Patient Guide Ltd., the publisher of a best-selling series of books on cancer topics for patients and their families. She has more than 10 years of experience in healthcare and business management, having held senior administrative positions with the Open Learning Agency, Medbroadcast Corporation and Vancouver Hospital and Health Sciences Centre as well as being a healthcare consultant with Corpus Sanchez International Consultancy, Inc.

Mr. Christopher Carty is a consultant with extensive experience in the areas of strategy, operations, finance and business development in industry sectors including cable television, wireless and wireline communications across markets in more than 20 countries. He has had more than \$25 billion of merger and acquisitions experience and has held senior positions with Telus, Bell Canada Enterprises, Bell Cablemedia in the United Kingdom and AT&T Corporation in the United States. He is a member of the Board of Directors of BC Children's Hospital Foundation and a member of the Board of the Vancouver Board of Trade.

Members of the 2008 - 2009 Board of Directors are: Dr. Don Brooks, Ms. Sue Carruthers, Mr. Christopher Carty (Representative, BC Children's Hospital Foundation), Dr. Diane Finegood, Mr. Larry Gold, Ms. Patricia Hanbury (Secretary-Treasurer), Dr. David Hardwick, Ms. Lynne Kent, Dr. Stuart MacLeod (ex officio), Mr. Michael Marchbank, Mr. Maurice Mourton (Chair), Dr. Gavin Stuart (alternate: Dr. Alison Buchan), and Ms. Nicola Sutton.

The Child & Family Research Institute (CFRI) conducts discovery research, clinical investigation, and applied health research to benefit the health of children and families. It is the largest research institute of its kind in Western Canada. CFRI works in close partnership with BC Children's Hospital and Sunny Hill Health Centre for Children and BC Women's Hospital & Health Centre, agencies of the Provincial Health Services Authority; BC Children's Hospital Foundation; the University of British Columbia and Simon Fraser University.
